CREATIVE BUSINESS SPACE

พื้นที่ธุรกิจสร้างสรรค์ เชื่อมโยงโอกาส
และความเป็นไปได้ใหม่ ๆ

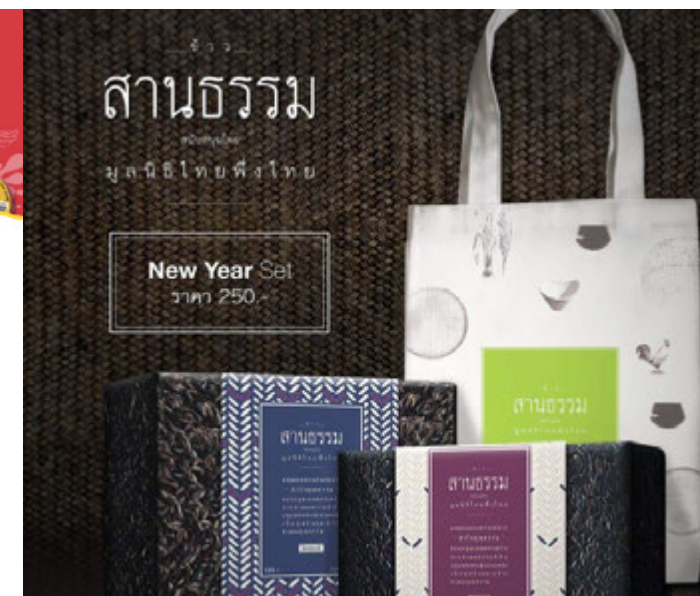

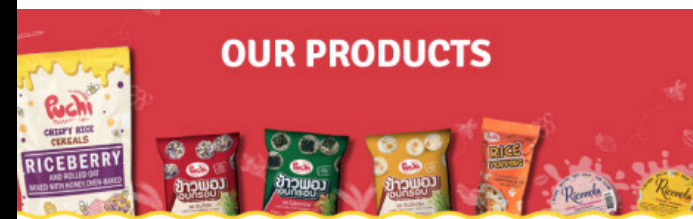

Drive your business growth with the power of creativity!

Creative Business Space is the newly launched business matching platform to kick off collaboration and opportunities for 80 established creative studios with related businesses in the manufacturing and service sector under the Creative Gastronomy category. With the ongoing expansion of the gastronomic and creative hospitality scenes, CEA aims to boost and foster the growth of creative studios to match the budding growth of restaurants, cafes, hotels, and related businesses in the manufacturing and service sector, enabling unique selling points and the ability to create new experiences that help differentiate them in running the business.

SixSeven Studio

About the company

Sixseven Studio is Bangkok-based design practice founded by PAKORN Rattanasuteeranon and Kornkanok Meksilp. We provide full architectural and interior design services with our extensive experience in hospitality and retail space. We are working on projects nationwide, from small-scale shops to mixed-used projects. With a keen interest in local craft and cultural context, we approach each one differently, believing that each should have its own distinctive character. Our team continually explores a new boundary of storytelling in design to ensure not only the practical aspects but a creative way to represent the brand's character in our design elements

Bicogurt

About the company

The Company operates business by applying the circular economy concept to develop waste raw materials and create value to health, society and environment sustainably according to the UN SDG goals. Bicogurt is fragrant coconut yoghurt that saves the world. It is a resource-efficient product that helps farmers get rid of the problem of coconut meat waste by pulling the leftover fragrant coconut meat back into the food chain through the process of fermentation with 6 strains of probiotic microorganisms into quality vegan yogurt. Customers get full nutritious from organic coconut meat, which meet the needs of consumers who want healthy food that safe and does not cause food allergies, free from cow's milk, gluten, eggs, nuts and yeast in fermented foods.

DEAL!

DEAL!

เริ่มทำธุรกิจ ด้วยเงิน 0 บาท
เริ่มยังไง ให้ประสบความสำเร็จ?

DEAL!

- ⊙ SHARE BUSINESSES
- ⊙ SHARE PROFITS
- ⊙ SHARE CONNECTIONS

เกี่ยวกับบริษัท

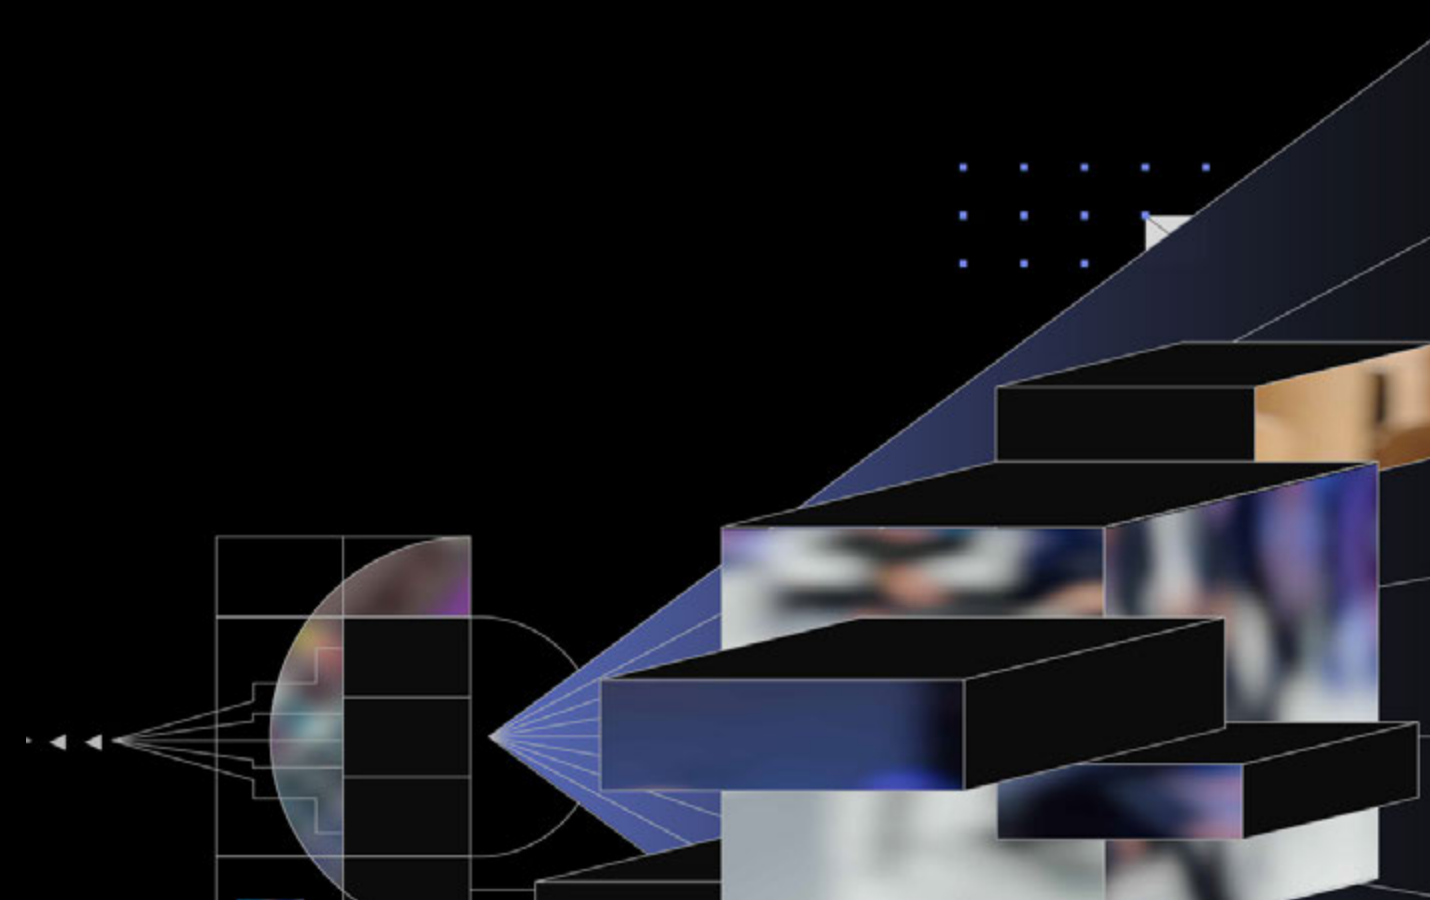

DEAL! acts as a mediator between entrepreneurs and investors. "Entrepreneurs" who want to expand or liquidate businesses, sell franchises and more. We look for Investors who have capital and ready to develop and grow entrepreneurs' business and be "Connection" for each other. Investment through DEAL! will be a joint investment in the business where investors put money into the business. Business owners use the capital to expand their business or operate business as agreed in the contract. Return on investment is calculated from profit from the business. When the contract is ended, investors will get their capital back and they will receive monthly returns which is called "share of profits."

About Creative Economy Agency (CEA)

The Creative Economy Agency (Public Organization), or CEA, was elevated from the Thailand Creative & Design Center (TCDC) in 2018. CEA is a public organization under the direct supervision of the Office of the Prime Minister. Our key mission is to promote and develop Thailand's creative economy by working in close cooperation with both the private and public sectors to drive our mission and policy forward. CEA also works to develop creative areas and the creative industry by providing knowledge-based resources and creating opportunities for developing creators in both local and regional areas. CEA also strengthens cooperation between different creative industries and the production sector to further develop creative products and services at both domestic and international levels.
